Re: Bay of Quinte Grand Prix

Dear Club Members and Race Participants;

On July 18-19, the Deutscher Automobile Club held its Bay of Quinte Grand Prix race in Shannonville, Ontario. The race was held under sunny skies and very good conditions. The enthusiasm and energy displayed by all participants throughout the event was absolutely amazing. Needless to say, this resulted in a very successful race. There were 95 entries and over 500 people who attended from all over the province and beyond.

This success of this race would not have been possible without the dedication and support from the many volunteers who contributed their time. To all these volunteers, I wish to thank you for all of your hard work. In addition, I would like to thank some key people who made this race possible including Race Director Gianni B., Jason S. and Diane, Course Clerk Dave W and Canadian Timing Association Ralph K. The volunteers in registration and scrutineering also deserve special thanks.

Although the race was a success, like all things, there is room for improvement. This will be one topic that we will address in the next meeting which will be held on August 5. I encourage all members to attend and make the next race an even greater success.

President/Peter Bulkowski
